PINELLAS COUNTY HOUSING TRUST FUNDS**

The City of Clearwater, Florida hereby notifies interested parties of the availability of funds for the production of rental affordable housing as follows:

\$1,600,000 will be available for redevelopment, preservation, acquisition and rehabilitation of low to moderate-income housing rental units.

The funds will be available to interested parties who preserve, develop, acquire and/or renovate affordable housing in the City of Clearwater. Recommendations will be based upon the program selection criteria included with the application.

Applications for funding will be accepted by the City until 4:30 p.m. on March 11, 2016. Decisions regarding the proposed projects will be made by the City by April 2016.

Application packets are available via the internet at www.myclearwater.com/housing through the Economic Development and Housing Department website. Also located on the site is the selection criteria used to rank the applications. Printed copies of these documents are available at the City's Housing Division located in the city hall (first floor) at 112 South Osceola Avenue, Clearwater. Please contact Diane Durr at 727-562-4032 with any questions.

All proposals must be prepared using the city's application form and related support documents and must be submitted to the City's Housing Division located at the address listed above.
