

Lori Konopa-Berbano R.N.

Lori brings 20 years of experience in the medical industry. As a Registered Nurse, Lori has a strong background in nursing administration, case management, operating rooms and other nursing disciplines.

Previous Experience

Lori has served in the capacities as Clinical Director and Administrator of an ambulatory surgery center; Director of Nursing and Nurse Supervisor in several facilities; and recently served as case manager traveling to fill immediate needs for several large hospital groups in California. She served as an operating room auditor for one of the nation's largest healthcare groups and also opened up a hospice center. Lori has practiced and holds active nursing licenses in Florida, California, Arizona, Nevada and Iowa. Additionally, she is certified in ACLS, BCLS and PALS. Lori graduated from Iowa Methodist School of Nursing and continues to further her education.

Personal Life

Lori is married to Vic and they have four children and nine grandchildren. Lori lives in Clearwater, Florida, having relocated from Las Vegas and prior to that, from Lake Havasu City, Arizona. In common with all these areas are water and recreation. Lori enjoys water-skiing and jet-skiing, hiking with their golden retrievers and is a self-professing gym rat. She is active in leadership at her church where she has facilitated nursing related support classes. She is a health food connoisseur and leads a group that meets weekly to promote a well-rounded lifestyle.
