

# Going to the pool

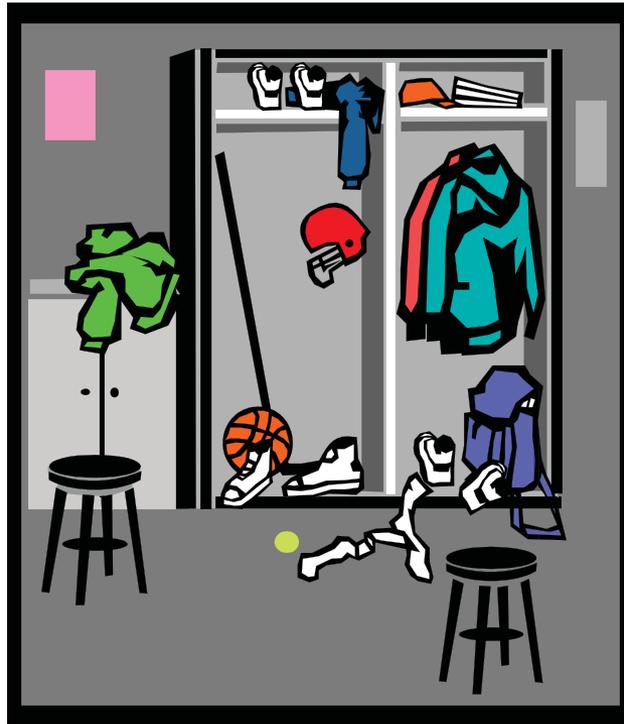

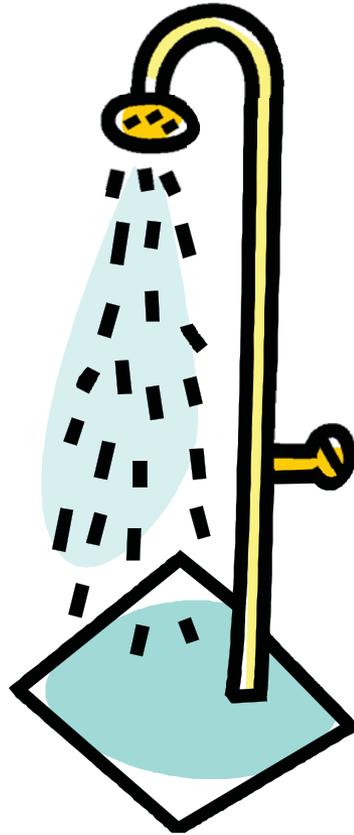

**We pack our bag to go to the swimming pool.  
We include our swimsuit, towel, hairbrush, and  
shampoo.**

**When I arrive I check in at the front desk.  
I wait by my parent while they pay.**

**I then go with my parent to get dressed in the locker-room.  
We take our bag and clothes out to the pool with us.  
The locker room may be noisy.**

**I shower with my swimsuit on before I get into the pool.**

**I wait for my teacher or my parent.**

**Before I get in to the pool, they will read the safety rules to me.**

**I will try to listen.**

**I will try to remember them.**

**I will try to be safe when I am at the pool.**

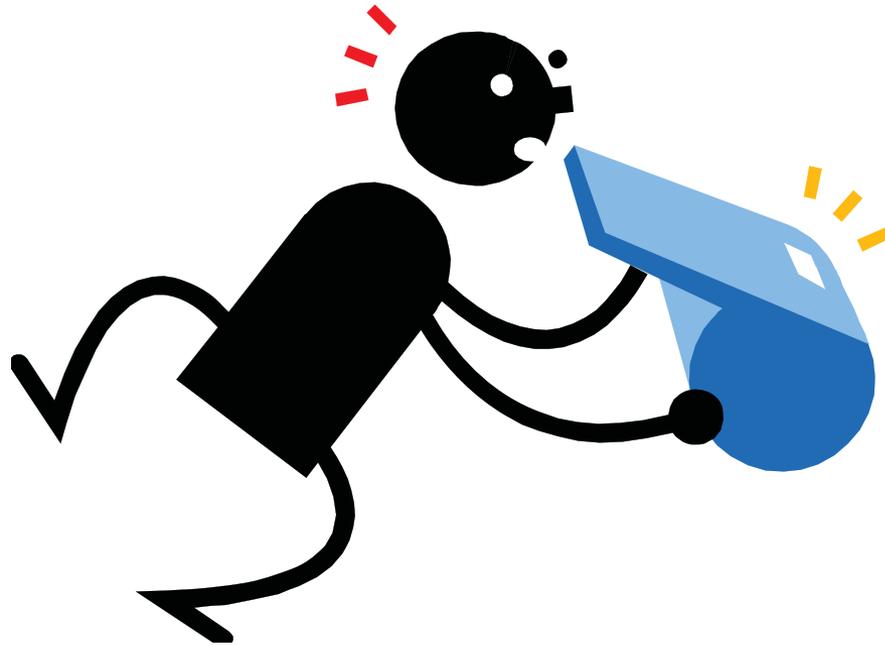

**Many people are at the swimming pool.  
Sometimes it is loud.  
That is ok.**

**Sometimes I will hear people laughing or shouting.  
That is ok, too.**

**I might hear water moving or splashing.**

**I might hear a lifeguard blow a whistle. It will be ok.**

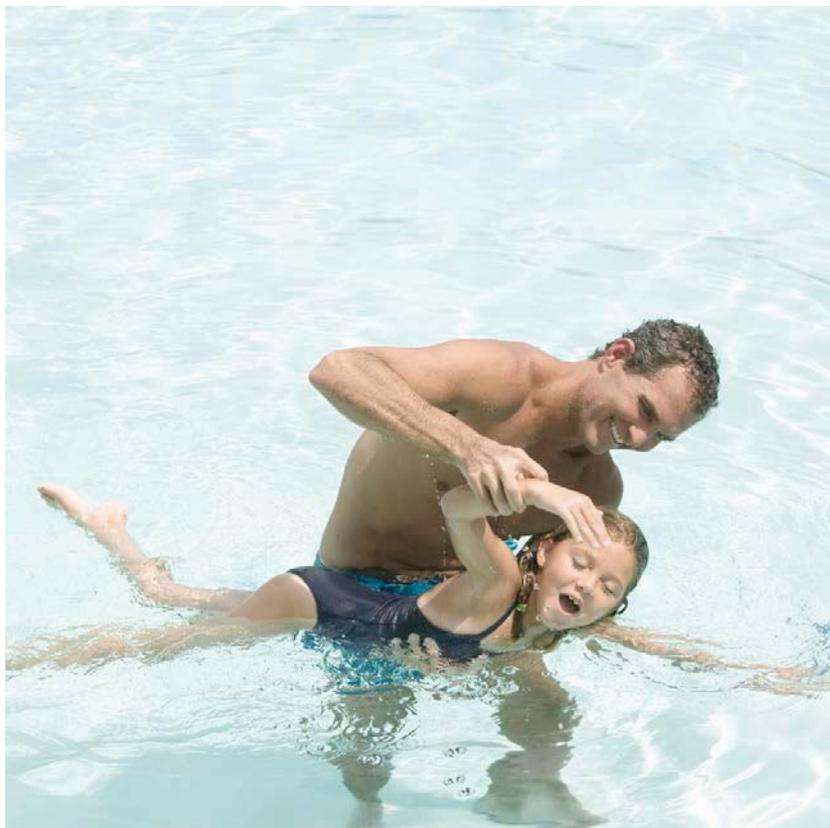

**I will only get in the water with an adult.  
It feels warm.  
It feels wet.**

**It sometimes tickles my skin.**

**That is ok.**

**I will try to get in the water and stand on the bottom of the pool.**

**My teacher or parent might hold onto me and tell me to “kick”.**

**I will lift my feet off the bottom and kick in the water.**

**This might make the water splash.**

**I can wipe off my face with my hands if I don't like the water on my face.**

**When I get out of the water, the ground around the pool might be wet.**

**The water might make the ground slippery.**

**I will make sure to walk so I don't fall down.**

**I can dry off with a towel.**

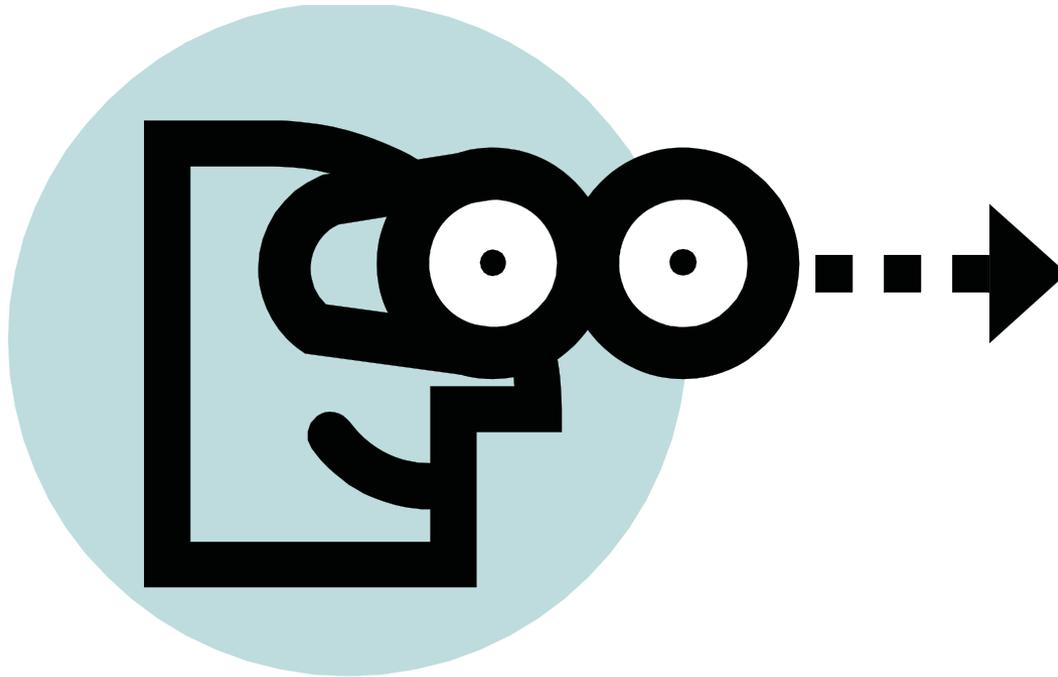

**I then can go to the locker room to change into dry clothes.**

**No changing clothes on the pool deck.**

**There are lots of things to hear at the pool.**

**There are lots of things to see at the pool.**

**There are lots of things to feel at the pool.**

**I will have fun at the pool.**
