**TO SCHEDULE INSPECTIONS PLEASE CALL 727-562-4580 or  
SCHEDULE ONLINE: [www.myclearwater.com](http://www.myclearwater.com)**

There are two ways of scheduling an inspection: You can use our telephone-automated system (IVR) or you can go online. When you log on to our website, go to "On-line Services" then "Permits and Bus. Tax Receipts". You will be automatically re-directed to our new Citizen Portal. You will be asked to register in the system in order to schedule future inspections.

You must call by 12:00 o'clock midnight for next day inspections. To use either the automated or online system you will need to have an active permit number ready to enter.

If you need to reach an inspector by phone please call one of the numbers listed above between the hours of **8:00 - 8:30AM and 4:00 - 4:30PM** Mondays through Fridays (except holidays). Engineering Inspectors may be reached at anytime during regular business hours.
