CLEAR WATER

greenprint

A COMMUNITY ACTION PLAN FOR SUSTAINABILITY.

myclearwater.com/greenprint

Steps to Sustainable Living:

Reduce use of nonrenewable electricity, fuel, water, paper, etc.

Reduce waste like packaging, plastic bottles and bags.

Reuse glass or plastic containers, wood, etc.

Recycle computers, electronics, plastics and other materials.

Use products that don't harm the environment whenever possible.

Help green business, projects, and organizations expand.

Learn more about sustainable living and educate others.
